**Adjustable Multi-Purpose**  
*Creative Station*

One table does it all.  
Cut, sew, iron and *create!*

Regular-size table shown with optional swivel castors.

The Creative Station has a range of useful features that put everything at your fingertips to let your creativity shine.

**Electric height adjustment**

Easy one-touch height adjustment ranging from 61cm to 126cm\*, with 3 programmable memory positions. Anti-collision safety feature detects obstructions and prevents damage and injury. European-made electric lifters with a total 140kg maximum lift capacity.

**A size for everyone**

Two sizes available to suit your needs and budget.

**Large**  
180cm  
x 77cm

**Regular**  
150cm  
x 77cm

**Screw-in adjustable feet (standard)**

Allows easy adjustment for uneven surfaces.

**Swivel castors (optional, pictured)**

Moving your creative station is a breeze when optioned with the heavy-duty rubber swivel brake castors.

**Self-healing cutting mat**

Create with precision with the large reversible self-healing cutting mat. One side features imperial markings, the other metric, with 30°, 45° and 60° angle guides on both sides. Size: 93cm x 63cm (36" x 24")

**Ironing mat (optional)**

Replace the cutting mat with the large non-slip silicon ironing mat to give yourself a huge 96.5cm x 66cm ironing surface.

**Storage drawer**

Keep everything you need at your fingertips with the extra-wide storage drawer featuring heavy-duty soft-close drawer runners. You'll have space for everything, including extra-long rulers!

**Quality materials & construction**

The Creative Station is proudly Australian made from premium components and a durable High Density Polyethylene (HDPE) table surface. This gives you the confidence your Creative Station will stand the test of time, backed by a standard 10 year conditional warranty.
